- Notes: (1) Some Lat/Lon info is based on center of gridsquare info provided by other amateurs, and I have not verified the accuracy with my maps. Actual sites may be up to a few miles away from the gridsquare center. I have provided the accurate Lat/Lon info of the popular sites when available. Altitude data for some points along the coast are guesses.
- (2) Do not attempt to navigate by land, sea or air using this data alone. There may be some typos. Please send corrections, additions, etc to me by mail or email. email addr: edmunnn@compuserve.com: Mail addr: Attn R.E. Munn, 6255 Radcliffe Drive, San Diego CA 92122.
- (3) Many of these sites are on private or restricted access land. This list does not convey any right to trespass on these lands.
- (4) Good Luck Microwaving!!
